## PRODUCT PICK-UP PROCEDURES

Here are some guidelines for ordering and picking up products from The Foodbank of Southern California.

These procedures are subject to change and never supersede signed documentation such as your Agency Agreement. If in doubt, please ask. We are always willing to answer any questions.

### I. HOW TO PICK-UP PRODUCTS

#### A. Placing An Order

- An authorized person from your agency such as the director or cook, may place an order for products once a week.
- Our PRODUCT INFORMATION PHONE LINE NO. is (562) 435-3127. Please listen to what is available for order the day before calling the office to place your order. You will be told the weight per case of each item so that you can determine how many cases you need.
- Time: Presently you can place an order between 7:30 AM to 11:00 AM Monday through Friday.
- Our Order Clerk will ask for your name and Agency name. She will also need to know your SDA(account) number. You are welcome to ask for information as needed about the products. Some of our products come in “assorted” cases meaning they are mixed and we can’t specify the exact contents of each case. Your job is to be sure of what you order. We CANNOT make changes once the order is placed.

#### B. Picking Up Your Order

- Products are picked up the day after you place an order.
- You may schedule a pick-up between 7:15 AM – 1:15 PM. Our staff breaks between 10:00 AM to 10:15 AM and lunch from 12:00 PM to 12:45 PM. Therefore, no pick-ups are scheduled at these times.
- One or two people from your organization should be authorized to pick-up your products. You may also bring volunteers to help.

- To receive your products, please pull into the back lot and notify one of our warehouse staff that you are here to pick up. At your scheduled time, the products will be brought out along with an invoice.
- You will receive the white copy of the invoice when you receive your order. Please check your order to make sure that you receive all products on the invoice. Please sign the invoice before leaving.
- Our warehouse staff will bring your products out on a pallet. Your agency is responsible for loading your own products, stacking the pallets and cleaning up any trash or containers left in the lot.
- Our small warehouse staff is dedicated to getting your products to you as quickly and completely as possible. Please help them by cleaning your area.
- No changes may be made at the time of pick-up but please notify the warehouse staff if you do not receive part of your order or find something damaged.
- **IMPORTANT:** When you sign for your order, you are verifying that all products are received and in acceptable condition. Once your representative leaves the Foodbank, staff cannot be responsible for missing or damaged products.

## II. **USDA – GOVERNMENT SURPLUS COMMODITIES**

- You are eligible for USDA COMMODITIES ONLY IF YOUR AGENCY IS APPROVED FOR THE USDA PROGRAM. The number of cases of USDA COMMODITIES you will be allowed to order will depend on the number of participants you are serving and available storage space at your site. These limits will be decided on at the orientation meeting and changed if your organization increases its distribution site.

## AGENCY DONATION AGREEMENT

### WHAT IS AGENCY DONATION?

Agency Donation's are not a purchase price for food received, but rather it is a contribution toward food and transportation costs. Agency Donation's are vital to The Foodbank's operation and the maintenance of all of our efforts in emergency food distribution.

### HOW MUCH IS AGENCY DONATION?

The current maximum agency donation is (10) ten cents per pound. The National Foodbanking Network, has established a ceiling of (22.5) twenty-two point five cents per pound, with the national average at (18.5) eighteen point five cents per pound.

### WHEN DO YOU PAY?

In order for us to continue providing food, the agency donation's must come in on a regular basis. Agencies should be prepared to pay agency donation's as products are received. In cases where donations are received reliably and promptly, they can be made on a monthly basis.

### CAN CHARGES BE PASSED ON?

Charges CAN NOT be passed on to the recipients of the food. Agency Donation is the responsibility of the Agency receiving and distributing the food. Federal and State guidelines prohibit the sale of donated food to needy individuals.

I have read and understand the above statement regarding AGENCY DONATION.
